Eligibility

- 1. Who can apply?**
Scholarships are available to all initiated members of Sigma Delta Tau who are full time students in a college degree program. Undergraduates must be members in good standing. Graduate applicants must have been in good standing as undergraduates. Applicants who have already received **two** SDT Foundation scholarships are ineligible.

2. **Can I reapply if I was unsuccessful in the past?**
Yes, of course! The number of applicants and competition vary from year to year, and you may qualify in the new cycle.
3. **Can I apply if I have already been awarded a scholarship?**
Yes, you can receive up to two scholarships from the SDT Foundation.
4. **I am a member of a chapter that has a scholarship and/or am studying in a field that has a specific scholarship. Should I apply for a specific scholarship?**
You will be considered for all scholarships for which you qualify. We have had multiple winners from the same chapter in which only one candidate received the chapter scholarship, but the other applicants of the same chapter received other scholarships.
5. **I am currently an undergraduate but plan to attend graduate school next year. Which application should I use?**
Submit the Graduate application.
6. **Can I apply for a Graduate scholarship if I do not know the school I am going to attend?**
Yes! Just list the schools you have applied to. If awarded a scholarship, you will be asked to submit your acceptance letter and proof of registration.
7. **Which application should I use if I am not graduating in four years?**
If you have not yet received your undergraduate degree, use the Undergraduate application.
8. **Is there a minimum GPA to apply?**
No; however, your academic record and any honors received will be reviewed during the evaluation process.
9. **Can I use the Sigma Delta Tau Foundation scholarship to cover membership dues and chapter fees?**
No. Scholarships can only be used to support academic expenses, including tuition, course related fees, textbooks, and other materials required for course enrollment. Scholarships cannot be applied towards room and board. As a 501 © (3) non profit, the SDT Foundation cannot support Greek specific expenses, such as membership dues and chapter assessments.
10. **Will all applicants receive an award?**
Unfortunately, we are unable to award a scholarship to each deserving candidate. We typically have more applicants than available funding. You may reapply the next year.

Supporting Documents

1. **What documents do I need for my application?**

You will need to provide your latest transcript that includes grades from the Fall semester 2016, recommendation (through request to your reference online), and a high resolution photo to be used in Foundation promotional literature to publicize winners. A personal essay is also required, which will be written online.

2. **Who should provide the recommendation?**

An SDT alumnae, such as a chapter or local advisor, or SDT Council member should submit a reference on your part. If a graduate applicant has been out of school for several years, she may request a recommendation from an employer, academic advisor or professor, or mentor but again, an individual affiliated with SDT is encouraged.

3. **Why do I need a verified email address of the person who will be providing my recommendation?**

You will be asked to provide it while completing the application online. Those providing references will receive a link to the recommendation form using the email address you submitted. You will receive an email confirmation once the recommendation has been received. If you do not receive the confirmation or you contact your reference and they have not been sent the link, contact Kristen at kjackson@sigmadeltatau.org. You are responsible for making sure we receive your recommendation. If we do not, your application will be considered incomplete and will not be accepted.

4. **What is required in the personal essay?**

The essay will be written online. You will be asked to introduce yourself, provide your goals after graduation, explain what SDT has meant to you (can include the core values of empowerment, philanthropy, and sisterhood), and why you need this scholarship in 750-1000 words. Your essay should be well-written and edited prior to submission, as it will be used during evaluation. We encourage you to prepare your essay before you write it online.
