Application Directions:

- Complete each page of the online application, and ensure all fields are filled out as requested.
- Make sure you use the correct application. If you will be an undergraduate student in the academic year 2019-2020 use the undergraduate application. If you will be a graduate student in the academic year 2019-2020, use the graduate application. **Applicants who apply using the incorrect application will be disqualified.**

- Undergraduates, including seniors applying for graduate scholarships, will need to provide the name of your SDT chapter advisor and her email to request that she submit a recommendation for you. An optional recommendation may also be requested of an employer, professor, mentor, or SDT alumna.
- If you are a current graduate student or an alumna who has just applied for graduate school and been out of school for awhile, you will need to submit the name and email of an employer, professor, mentor, or SDT alumna to request a recommendation. A secondary recommendation is also optional, and highly encouraged.
- You will be notified when the recommendation has been received. If you do not receive a confirmation, you are responsible for follow up and completion of the recommendation. **Applicants without a recommendation will not be considered.**
- If you cannot complete the application in one sitting, please make sure you SAVE your information, so it is available at a later date. We are unable to retrieve unsaved information.
